## Daily Family Checklist

### **Is my child ready for school?**

- Take your child's temperature. If your child has a temperature of 100.4 degrees or higher, your child should not go to school.
- Does your child have a sore throat, cough, diarrhea, severe headache, vomiting, body aches, or other signs of illness? If yes, your child should not go to school.
- Has your child had close contact to a COVID-19 case? If yes, your child should not go to school.
- Does your child have a clean face mask and a back-up mask in case it is needed?
- Wash your child's water bottle daily and provide a clean bottle each day.
- Please call Rittman Elementary School at 330-927-7460 if your child cannot attend school.

### **What should we practice at home?**

- Practice proper hand washing techniques, especially before and after eating, sneezing, coughing, and adjusting a face mask.
- Launder face masks regularly and provide a clean mask daily.
