Because I may not get my 1st choice in elective courses above, I want the following classes to be alternates to my 1st choice selections. **Select only semester courses (denoted with an *). List the course codes here:**

- 1. _____
- 2. _____
- 3. _____

Please initial the following policies and sign below:

____ I understand that I am approving the circled courses and will review all courses selected sometime in March/April. I must review this course listing and verify that all the correct courses are listed. Any changes must be made at this time.

____ I understand that if I fail any courses required for graduation during the current school year that my schedule will be subject to change by guidance to make room in my schedule to retake the course to make up the failed credit.

____ I understand that if I am an athlete, I need to be taking at least 5 classes and passing them all with a 1.0 nine weeks GPA in order to be eligible. I also understand that physical education does not count towards these 5 classes as it is only worth 0.25 credits per semester.

____ I understand that the last day to make any changes on schedules for the 2024-2025 school year is **May 31, 2024.**

Students will complete & submit their scheduling card in Social Studies class on Friday, **January 5th**.

Below you will find a schedule with the classes all freshman must take to meet graduation requirements. Each student needs to select electives to fill 1 ½ periods of their day. They can select either 3 semester courses, designated with an * or a combination of a full year course and one semester course. For example, Band and Intro to Art. **Remember, students are required to have 1 full credit of fine arts for graduation, so make sure they select at least one semester of fine arts.**

All cards will be turned in that day. Please make sure you discuss course selections with your student prior to this date!

Thank you in advance for your attention in reviewing and discussing these courses with your student to make sure he/she is prepared to complete their scheduling card upon return to school.

Questions? Please contact Ms. Humes at rjitt_jhumes@tccsa.net or (330) 927-7144.
