**Please initial the following policies and sign below:**

\_\_\_\_ I understand that I am approving the circled courses (on reverse) and will have the opportunity to review a printout of all courses selected sometime in March/April. I must review this course listing and verify that all the correct courses are listed. Any changes must be made at this time.

\_\_\_\_ I understand that if I fail any courses required for graduation during the current school year that my requested courses will be subject to change by guidance to make room in my schedule to retake the course(s) to make up the failed credit.

\_\_\_\_ I understand that, if I am an athlete, I need to be taking at least 5 classes and passing them all with a 1.0 nine weeks GPA in order to be eligible. I also understand that physical education does not count towards these 5 classes as it is only worth 0.25 credits per semester.

\_\_\_\_ I understand that the last day to make any changes on schedules for the 2024-2025 school year is **May 31, 2024.**
