

RITTMAN ALTERNATE TRANSPORTATION REQUEST FORM

Transportation is available to and from babysitter's and daycare providers under the following conditions:

1. Babysitters and daycare providers reside in the student's school of attendance.
2. Babysitters and daycare providers must be outside school walk-boundary.
3. Only one pick-up point and one drop-off stop will be assigned. If daily arrangements are needed, it will be the parent's responsibility to provide them.
4. If there is space available on the bus.

This form must be completed for each new school year. If a change is made during the school year, a new transportation request must be submitted and approved before the child is allowed to ride any other bus. The new request will void any previous transportation requests. Please check all information to make sure this is the schedule you want for your child.

Forms must be turned in and approved by the transportation department before students can be bussed. If a form is not turned in, the students pick up/drop off will be based on their home address.
