Choices

for Informational Writing Assignments

TRADITIONAL ESSAY

In this assignment choice, you will type a well organized multi-paragraph essay following a proper format. You will want to thoroughly answer the teacher's prompt and include evidence from your class resources.

SKIT

You will write and perform an original script based on the teacher's prompt featuring characters and content that relate directly to the topic. This skit may be performed live or video recorded, but a written copy of the script is required.

PODCAST

For this choice, you will write a script and record a reading of it using technology. Podcasting requires careful planning and organization. You may include music and sound effects, and if permitted, it is a great partner project.

BROCHURE

This choice requires you to create a visually appealing brochure which thoughtfully responds to the teacher's prompt. It should give enough information to grab the reader's attention through concise writing and careful design.
